Goalkeeper In Service Event Catches The Enthusiasm Of Local Clubs

Tavistock were very fortunate to receive some expert Goalkeeping advice on the 14th September as ex Plymouth Argyle keeper Jon Sheffield came down to share his experiences with some lucky coaches.

The practices Jon delivered on the night will give all that attended some great practical ideas that they can take back to their clubs, and the young keepers they work with.

If anyone is interested in furthering their knowledge of coaching Goalkeepers then please be aware that we are running a Goalkeeper level 1 course in Tavy in January.
