## TCFC's First Summer Festival Proves To Be A Huge Success!

TCFC held its first summer mini soccer festival on the 21st August, and with over 20 teams competing over the 3 age groups things are looking good as the club plans to build on this success next year.

Teams from across Plymouth, and some from as far as North Devon took part in the festival along with teams from TCFC.

This event has again helped to raise the profile of the community club, and the great facilities we have. Hopefully next years festival will be even bigger than this year!

## Tavy Tots Sessions

The future of TCFC looks bright as training sessions for the youngest players at the club has now started to take place. Since these sessions started in July many children have taken part between the ages of 3-4 years, and we hope these players will continue to enjoy their football at the community club for many years to come.

These sessions run by community coach Mark Wickett take place at Tavistock college every Saturday, 10-11am.
